Dear Sir:

I, Gail M. Norris, Esq., am the Director, Office of Technology Transfer, University of Rochester, located at University of Rochester, 611 Hylan Building, Rochester, New York 14627-0142. I have the authority to act on behalf of the University of Rochester.

As set forth in the assignment forms recorded on August 19, 2004, in the U.S. Patent and Trademark Office at Reel/Frame No. 015709/0717, the above-identified patent application has been assigned to the University of Rochester by inventor David S. Goldfarb.

As assignee of record, University of Rochester hereby consents to the correction of inventorship to add Michael Breitenbach as an inventor on the above-identified application.

Date: 21 May 2007

Gail M. Norris, Esq.
Director, Office of Technology Transfer
University of Rochester
